P.L. 2007, C.62 created several new property tax and local government budgeting initiatives and property tax relief provisions including the implementation of a property tax levy cap law. Starting with FY 2008 budgets, municipalities, counties, and fire district had their tax levies or amounts to be raised by taxation for each local unit budget limited to a four (4) percent increase. The cap calculation was subject to various adjustments, such as the value of increased assessments and other modifications.

The law (N.J.S.A. 40A:4-45.44et.seq.) also allowed the Local Finance Board to grant waivers for extraordinary circumstances (some of which are defined in the law). For municipalities, the levy was in addition to the existing appropriation cap; both cap laws must be met. The only exception to the levy cap were for municipalities that have a municipal purpose tax of \$.10 or less for the previous tax year.

On July 13, 2010, the Legislative enacted the 2010 Levy CAP Law (2010 CAP).N.J.S.A.40A: 4-45.44 et seq. P.L. 2010, c.44 amended N.J.S.A. 40A:4-45.45 and 45.46 (the 2007 CAP) to a two percent CAP with modified exclusions. For purposes of this most recently enacted levy cap, a local unit includes municipalities, counties, fire districts and existing solid waste collection districts with a tax rate of more than \$.10 (ten cents).

The 2010 CAP Law significantly changes the CAP exclusion calculation. There are several general exclusions: increases in debt service and capital expenditures; weather and other "declared" emergencies; pension contributions in excess of two percent, and health benefit cost increases in excess of two percent and limited by the increase in State Health Benefit rate increases.

In addition to changing the four percent levy cap to two percent, the 2010 CAP Law eliminated the following cap provisions: levy cap waivers approved by the Local Finance Board, therefore, starting with calendar year 2011 budgets there will be no Local Finance Board cap relief actions for any reason; automatic add-on to levy cap base of state aid losses; add-on for increases in the reserve for uncollected taxes; and cap levy reduction due to debt service reductions.

Municipalities are currently subject to both the original 1977 cap on municipal appropriations (previoulsy summarized in this budget message) amended in 2003 by imposing a 2.5% limit on increases on municipal appropriations and the most recently enacted 2010 levy cap.
