Dear Mr. Carasia,

The following is a list of responses to the December 8, 2021 Coverage and Grading Review.

1. The accessory structure height is 12'-0" tall and is located 12.1' from the property line. See drawing A608.2 for revised height diagram.
3. The scale of drawing A101 was changed in order to show the screened in lounge.

Mark Alessi, R.A.
